

# Burns Presbyterian Church Coffeehouse Presentation

Featuring

## Heather Chappell with Vince Peets

Heather's songs are lyrically deep, emotional and intimate, often calling to mind the sweetness of a familiar Celtic ballad or the hush of a sacred Sunday hymn. With guitarist Vincent Peets, Heather performs a blend of original songs and lively traditional jigs and reels.

## McCauley's Wake with David Linderman

Listening to David sing is like a pleasant stroll through the best that music has to offer. You will find yourself humming along to at least a few of your favourites as he weaves his talent for story telling through modern music history and the evening.
